Israel Provided Perfect Environment for Beta Testing of Bunker-Busting Bomb

Prime Minister Netanyahu understood the seismic shift in world order achieved by this masterful joint effort with the United States. In giving his congratulatory speech to Trump after the completion of the successful operation, Bibi effused his joy, exhilaration, and relief that Iran's nuclear facilities were finally destroyed, thereby averting a daunting arms race in the Middle East.

Jewish Biography: Alexander Weill, Alsatian Writer

As soon as Heine appeared at the threshold of his office, I recited in Hebrew a phrase from Ibn Ezra, known to all Talmudists : "I came into your house, found the door open, but as soon as I entered - your wife became angry." It was also a trap. I wanted to know if Heine, who was raised as a Jew until the age of thirteen, remembered the language he was taught. {Alex Gordon, quoting Alexander Weill}
